Re: Wyboo Plantation Utilities, Inc.

Dear Mr. Terreni:

It is our understanding under SC Public Service Commission Regulations 103-504 and 103-704 that the Public Service Commission must approve Wyboo Plantation Utilities, Inc.'s sale of its assets to a third party.

Clarendon County (a public entity) has an option to purchase all assets and customer base from Wyboo Plantation Utilities, Inc. (a private water and sewer company) on or before December 19, 2008. It is our understanding that the attorney of Mark Wrigley, the owner, is notifying the PSC of their intent to sell.

This letter is an attempt, however, to ensure notification to the Public Service Commission to allow for the ten-day approval requirement by the PSC.

Thank you in advance for your assistance in this matter.

Sincerely,

William F. Houser
Clarendon County Administrator
